

Data Protection Commitment Letter*

Supplier Acknowledgement and Acceptance

We hereby confirm our commitment to data protection and privacy in our cooperation with ZF Foxconn Chassis Modules Group (ZFFCN). This commitment remains in effect even after the termination of our cooperation.

In order to facilitate business development and collaboration, we will provide ZFFCN with the following personal information of our business contacts:

- Names
- Job Titles
- Phone Numbers
- Email and work contact Addresses

We further confirm the following:

1. We have explicitly informed our employees that their personal information will be shared with ZFFCN, and we have obtained their separate consent for this purpose.
2. Our employees are aware that their personal information may be transferred overseas, and we have obtained their separate consent for such international transfers.

We will retain the documents containing the employees' separate consent and provide the corresponding originals to ZFFCN upon their request.
